<i>Wycombe Abbey School</i>	1
<i>Remaining at PIPS for Upper Kindergarten</i>	27
<i>Relocating Overseas</i>	8

Each year, PIPS students successfully apply to a wide range of international schools around Hong Kong. Our IB teaching gives PIPS students the skills and understanding to flourish anywhere, and our teachers support you by filling in reference forms for every application. Note that many parents choose to stay at PIPS for another year by joining the Upper Kindergarten class because their children are so happy here!
