# Summer BALLET

## **Class A. 4:00~4:45pm. (2.5 - 4 years old)**

Class A specifically tailored for 2.5 to 4 year olds which introduce the alphabet of movement through creative expression and prove to be an excellent foundation for students wanting to pursue the study of classical ballet. Skills are learned in their most basic form to initiate the process of building a solid foundation helpful in future dance study. Taking the special characteristics of these age levels into consideration, their wonderful imagination and boundless energy, many of the exercises and skills are taught through story, song, and role-playing. Concentration is on establishing developmental skills needed to execute dance steps. Exercises enhance flexibility, coordination, strength, and muscle tone. Introduction and experimentation of movement with various styles of music develop musicality, rhythm and creativity.

## **Class B. 5:00~5:45pm. (4 - 6 years old)**

The aim of Class B, 4~6 years, is to produce a proper understanding and execution of basic ballet technique. Emphasis is placed on the discipline and classroom etiquette required of all ballet students. Class work begins at the ballet barre. Students are guided through a series of exercises designed to strengthen the leg muscles and train the torso and upper body in order to maintain proper ballet placement. Simple conditioning exercises are begun to ensure suppleness in the muscles necessary in the years to come. Center combinations are kept simple and appropriate. Center work incorporates technique, coordination, awareness of space, and sensitivity to music - all vital to the understanding of classical ballet.

**Dates: July 12, 14, 16, 19, 21, 23, 26, 28, 30. (Monday, Wednesday & Friday )**
